

TULAY TSAMBARDAS

SKILLED GRAPHIC DESIGNER & WEBSITE DEVELOPER

Preston, VIC +61 419 683 510 tulaytsambardasdesign@gmail.com linkedin.com/in/tulay-tsambardas/

PROFILE

A creative Graphic Designer and Website Developer with over 14 years of professional design experience and a Certificate IV in Web Development. Skilled in front-end development, responsive web design, and brand identity creation. Adept at working with clients to capture requirements, develop creative briefs, and deliver high-quality digital and print solutions. Recently completed a full bilingual website and brand identity project for an international client, demonstrating end-to-end project management and digital delivery capabilities. Bilingual in English and Turkish. Seeking a creative, digital, or education-support role where these skills can make a genuine impact.

KEY STRENGTHS

Graphic Design & Digital Skills: Over 14 years of professional graphic design experience, combined with web development skills in HTML, CSS, and JavaScript. Experienced in delivering brand identity systems, print materials, and responsive websites.

Software Expertise: Advanced skills in Adobe Creative Cloud (Photoshop, Illustrator, InDesign). Proficient in Microsoft 365, Google Workspace, and web development tools, including VS Code and GitHub.

Client Communication: Confidently communicate with clients from diverse backgrounds to understand needs, prepare design briefs, and deliver solutions. Bilingual in English and Turkish — an asset in multicultural environments.

Continuous Improvement: Proactive learner who stays current with digital tools and design trends. Led the set-up of a digital department at a previous employer, transforming hand-based design processes into digital workflows.

RECENT FREELANCE PROJECT

Web Designer & Brand Identity Developer | Freelance — International Client Project | 2024 – 2025

- Designed and developed a complete bilingual (Turkish / English) single-page website for a specialist education provider based in Turkey
- Created a full brand identity system: logo (six variations), colour palette, typography system, and comprehensive brand guidelines
- Built client-facing digital forms, including KVKK-compliant consent forms and a service agreement
- Produced a full project documentation and blueprint package for client handover
- Managed the entire project independently — from client brief through to delivery — using HTML, CSS, JavaScript, and Netlify hosting

NOTABLE CAREER EXPERIENCE

Graphic Designer | Zumurat Photography Studio, Turkey | 2001 – 2014

- Led a busy design department overseeing design, layout, and retouching of photographic images
- Used Adobe Photoshop, Illustrator, and InDesign to produce books, magazines, brochures, and business cards
- Managed client consultations from brief through to delivery, building strong stakeholder relationships
- Proposed, planned, and implemented a new digital department, transforming hand-based design processes to digital technologies — including training staff on software, printers, and systems
- Recognised by the Managing Director for outstanding performance, passion, and contribution to business growth
- Managed department budget, forecasting, and office operations

VOLUNTEER & COMMUNITY EXPERIENCE

Text Corrections Volunteer | National Library of Australia (Trove) | 2021 – 2022

- Wrote and corrected content descriptions to support search accuracy on the Trove online database
- Ensured accuracy and consistency of records and digitised content

Digitisation Project Volunteer | Public Records Office Victoria, North Melbourne | 2016 – 2018

- Digitised historical records and coordinated document storage for the Victorian Archive Project
- Created indexes and managed search data for 18th Century insolvent records
- Scanned and entered historic documents and photograph collections into the online system

Bilingual Officer & Student Placement Support | Melbourne Polytechnic, Preston | 2016 – 2017

- Provided English-to-Turkish translation of documents and verbal interpretation for Student Services
- Supported the Visual Arts department — designed brand logos and magazine covers
- Assisted with marketing and advertising for Australia's Biggest Morning Tea fundraiser

IT SYSTEMS & APPLICATIONS

- Adobe Creative Cloud: Photoshop, Illustrator, InDesign, XD
- Web Development: HTML5, CSS3, JavaScript, PHP, MySQL
- Tools: Visual Studio Code, GitHub (beginner), Netlify, FTP
- Microsoft 365: Word, Excel, PowerPoint, Publisher
- Google Workspace, Zoom, MS Teams, draw.io, MindMeister
- Wireframing and mockup tools; responsive and mobile-first design

EDUCATION & TRAINING

- Certificate IV in Information Technology – Web Development, Australian Institute of ICT, 2023
- Certificate – Mobile UI and UX Design, Women Network Australia Digital Skills Program, 2024
- Certificate IV in English, Melbourne Polytechnic, 2019
- Bachelor of Fine Arts, Majoring in Ceramics, Marmara University, Turkey, 2008 (assessed against Australian degree standards, 2016)
- Certificate of Photography, Turkey, 2009
- Certificate of Graphic Design, Turkey, 1999
- Certificate of Computer Programming, Turkey, 1993

ADDITIONAL INFORMATION

- Australian Citizen — available to work locally in Melbourne
- Full driver's licence with own vehicle
- First Aid Certificate, 2023
- Bilingual: English (professional) and Turkish (native)
- Bilingual Volunteer Training, Northern Adult Migrant English Program Counselling Service, 2016
